

Peril: Witchy Wolf Book 2 (Volume 2)

Fate just walked into her life and heâ€™s tall, hunky, & wolf. Chloe Jackson just discovered that not only has she become a shifter of the wolf variety, but sheâ€™s also got a Witch for a mom. Literally. On top of that, she accidentally exchanged blood with the hunky Alpha of the local wolf pack and WHAM! Fate knocked her on her ass once again by mating her with him. Add in a jealous she-wolf who has her eyes and heart set on the already claimed Alpha, the dangerous enemy who orchestrated the attack on Chloe that transformed her into a furry four legged creature, and the unexpected surprise of Chloeâ€™s paternity, and you get one wild, sexy ride!
