

Bones Bundle (Dreamspinner Press Bundles)

Skinny, quiet hipster Dylan Warner just wants to live a normal life—despite being a werewolf—but when he buys an isolated farmhouse, it comes with more adventure than he anticipated! In Good Bones, Dylan’s sexy neighbor Chris Nock helps Dylan renovate the house, but how can Dylan reveal his furry secret? In Buried Bones, a brand-new relationship is hard enough to handle, but the appearance of a ghost and Chris’s dad threaten to bring Dylan and Chris’s relationship toppling. In The Gig, a chance encounter introduces Dylan and Chris to Drew Clifton and Travis Miller of Speechless. In Bone Dry, artist Ery Phillips is house-sitting for Dylan and Chris when a strange and beautiful man appears by the pond and inspires his muse.
