

Auschwitz #34207: The Joe Rubinstein Story

Amazon Bestseller: #1 in Holocaust Biography and #1 in Holocaust Memoirs. In May of 1945, Joe Rubinstein walked out of a Nazi concentration camp. For over 70 years, his remarkable story was hidden from the world. Shortly before dawn on a frigid morning in Radom, Poland, German soldiers forced twenty-one year-old Icek Joe Rubinsztejn onto a crowded, open-air truck. The next day, several around him were dead. From there, things got worse for young Joe-much worse. Joe arrived at Auschwitz on April 30, 1942. It would be seven decades before he revealed how he survived several of the most notorious concentration camps. His is an inspiring narrative; a story of reliance, endurance, courage and faith. Barefooted when he was seized by the Nazis, Joe became one of New Yorks leading shoe designers-working with companies whose shoes were sought after by First Ladies and movie stars alike. Joes story bears witness to the ultimate triumph of the human spirit. While the Nazis took everything else, they were unable to take his unassailable joy. Joes story is one of discovering light in the darkest of places, an inspiration for us all. Auschwitz #34207 is garnishing high praise from leading holocaust scholars, nationalre viewers and readers alike, and isa finalist for Foreword Reviews 2015 Book of the Year in Biography.
