She's in deep — in love and in trouble. Scuba instructor Mia Whitman has traveled to Bonaire to forget, not forgive, the man who broke her heart. But trouble is brewing in this Caribbean island paradise — above and below the waterline. When Mia witnesses a crime, she becomes a target, and even she has to admit that having a Navy-SEAL-turned-New-York-City-cop at her side has its perks. Ryan Hayes has a knack for saving her life and stealing her heart — a tricky combination for a woman on the run. Before Mia can stop herself, she finds herself in deep — in love and in trouble.

\* An action-adventure romance with adult content. The perfect read for fans of strong heroines, alpha heroes, tropical islands, romantic escapes, sea adventures, military romance, tropical beach vacations, travel romance, and comedy romance — and of course pirates, swashbucklers, and rakish rogues! \*
