Presented in one volume is the Complete Collection of Between The Sheets a Contemporary Romance Series by Mia Cardine. Between The Sheets Book 1: After her live-in lover of seven years coldly and cruelly walks out of her life, Brandi doesnâ€™t know if she can trust her own judgment in love again. That is, until a sexy client comes into her life. He pursues her with a single-minded resolve that reminds her too much of the way her ex pursued her. The heat between them is explosive, but fear of being hurt threatens to derail something before itâ€™s even begun. Just when she decides to go for it, her ex shows up reminding her once again of just how damaging making the wrong choice can be. Between The Sheets Book 2: Determined to retain control in her dealings with Nick, Brandi makes it clear she doesnâ€™t need or want Geoffreyâ€™s advice. She sends him packing when he pushes the issue and wonders if they are through before theyâ€™ve even begun. Meanwhile, she seeks legal advice as Nick continues to harass her. Geoffrey makes it known they are not finished, but he still thinks she should allow him to help since he is now involved with her. Between The Sheets Book 3: A satisfying evening of dinner and lovemaking with Geoffrey, filled with possibilities, is interrupted when Brandi finds herself served with a judgment that forces her to give Nick access to their co-owned condo. Geoffrey offers her a place to stay until the issue is resolved, but Brandi rebuffs the offer.

Leaving Nick alone in the condo gives him the upper hand and she'll fight tooth and nail to make sure he doesn't win this fight, even if it jeopardizes her relationship with Geoffrey. An unexpected betrayal is revealed that threatens to break her. Between The Sheets Book 4: As things come to a head between her and Nick, Brandi finds herself faced with a decision that requires her to come to terms with what is ultimately more important. Winning in this war of ownership of the condominium she has called home for eight years has become Brandi's goal, but with Geoffrey in her life, she must decide if the cost is worth the possibility of losing the man who has come to mean so much to her. This book contains exciting and naughty descriptions of romantic activity that are sure to leave you hot and breathless.
