

Koren Sacks Siddur, Hebrew/English, Sepharad Prayerbook

The Koren Sacks Siddur is the first new Orthodox Hebrew/English siddur in a generation. The Siddur marks the culmination of years of rabbinic scholarship, exemplifies Korens tradition of textual accuracy and intuitive graphic design, and offers an illuminating translation, introduction and commentary by one of the worlds leading Jewish thinkers, Rabbi Sir Jonathan Sacks. Halakhic guides to daily, Shabbat, and holiday prayers supplement the traditional text. Prayers for the State of Israel, its soldiers, and national holidays, for the American government, upon the birth of a daughter and more reinforce the Siddurs contemporary relevance. A special Canadian Edition is the first to include prayers for the Canadian government within the body of the text.
