Valentines Day isnt looking too promising for romance writer and former supermodel Nikki Prentice Devereaux. Max, her husband of ten years, has recently grown distant. Even though she doesnt want to, she comes to the unhappy conclusion that hes having an affair. Its Fashion Week in New York City, and the ever-busy Max is planning a big surprise for Nikki. But unfortunately he has more than one, and this one could affect their relationship. Will Maxs secret give them more of their happily ever after, or will their marriage end in D-I-V-O-R-C-E?
