Passion. Blaze is a member of a motorcycle gang on their way to Sturgis, South Dakota for the huge biker rally held there every year. He's single and wants to keep it that way, but plans on taking as many females as he can to his bed while in the rowdy town. Angel is working in her uncle's motorcycle repair shop and when Blaze comes in with a little trouble with his new ride, she finds him as interesting as he finds her. Blaze is stricken with her knowledge of bikes and her beauty as well as her feisty attitude. But when he asks her out, a thing he never does, she refuses. It only serves to send Blaze into alpha-mode and he shows up at her home and makes her dinner then she takes him to her bedroom. Both know they have stumbled onto something neither saw coming. But can Angel get past her fear of abandonment and let Blaze have a place in her heart? And can Blaze get past his idea of being single forever and let Angel into his heart? As both want to be the master of the situation, can they give into the other without losing who they are? Scroll up the page and download this romance novel now!
