

The Only Handwriting Analysis Book You Will Ever Need

Based on over 30 years of combined personal & professional experience, the author teaches you everything that she knows about the science of Forensic Handwriting Analysis. Loaded with handwriting samples it is anticipated that this book will be a collector.. With over 500 pages there is nothing like it in the market today! Also included are all online classes that she teaches. You can receive training certificates and become a certified analyst by taking the tests included after each class.
