A Best Half of Life(r) Book  
 Dating can be scary if you haven't dated in a long time. In *Dating After 50*, psychiatrist Sharon Romm walks you through the safest and most efficient way to begin dating again and helps you negotiate the many aspects of an ensuing relationship. If you are concerned that your age limits your options for meeting potential mates, if you enjoy sex and want to continue to enjoy sex after 50, if you worry that time is running out ... the sound advice in this book is for you.
