

# Lying in Wait: Ann Rules Crime Files: Vol.17

Ann Rule presents another collection of fascinating and disturbing true-crime stories—drawn from her real-life personal files—in this seventeenth volume in the #1 New York Times bestselling Crime Files series. **MOVING IN FOR THE KILL** In this all-new collection of investigative accounts from her private archives, “America’s best true-crime writer” (Kirkus Reviews) exposes the most frightening aspect of the murderous mind: the waiting game. Trusted family members or strangers, these cold-blooded killers select their unsuspecting prey, wait for the perfect moment to strike, then turn normality into homicidal mayhem in a matter of moments. Ann Rule will have you seeing the people and places around you with heightened caution as you read these shattering cases, including: “New mothers murdered, their infants kidnapped, in an atrocious baby-selling scheme” “The man who kept his criminal past hidden from his wife—and his wife from his mistress” until he coldly disposed of one of them “The beautiful daughter of a State Department official ran away from the privileged world she knew and hitched a ride with a man she didn’t ... with fatal consequences” “For months, a vicious, rage-filled serial rapist eluded police and terrorized Seattle’s women” when would he strike next, and how far would his violence escalate? “A criminal known for his Houdini-like escapes is serving time for murder in a botched

robberyâ€”now the convict is being served dinner in a civilianâ€™s home, where he has one more trick up his sleeve â€” A long-lost relative who came home to visit, leaving a bloody trail through Washington and Oregon; no one realized how dangerous he and his ladylove wereâ€”until it was far too late... .

With her ability to translate the most complex cases into storytelling â€”as dramatic and chilling as a bedroom window shattering at nightâ€” (The New York Times), Rule expertly analyzes the thoughts and deeds of the sociopath, in this seventeenth essential Crime Files volume.
