

Sweet Surrender: A MacKenzie Family Novella (The MacKenzie Family)

Itâ€™s been twelve years since Liza Carmichael stepped foot in Surrender, but after her great auntâ€™s death she has no choice but to return and settle her estate. Which includes the corner bakery thatâ€™s been a staple in Surrender for more than fifty years. After twenty-five years on the job, Lieutenant Grant Boone finds himself at loose ends now that heâ€™s retired. Heâ€™s gotten a number of job offersâ€”one from MacKenzie Securityâ€”but he’s burned out and jaded, and the last thing he wants to do is carry the burden of another badge and weapon. He almost turns down the invitation from his good friend Cooper MacKenzie to stay as their guest for a few weeks while heâ€™s deciding what to do with the rest of his life. But he packs his bag and heads to Surrender anyway. The only thing Boone knows is that his future plans donâ€™t include Liza Carmichael. Sheâ€™s bossy, temperamental, and the confections she bakes are sweet enough to tempt a saint. Thank God heâ€™s never pretended to be one. But after he gets one taste of Liza and things start heating up in the kitchen, he realizes how delicious new beginnings can be.
