

Midnight Mandalas Vol. 1: A Stress Management Coloring Book For Adults

Come Over To The Dark Side...
 ...with this unique Mandala black background adult coloring book. Copy and paste this link into your browser for a video of the images in this book: youtu.be/UzjEIVmQWLM We took the 50 Mandalas from our popular "The Worlds Best Mandala Coloring Book Volume 1" and did a bit of black magic on them to turn them into fantastic white Mandalas with all black backgrounds. Think of the possibilities of coloring these with bright neon pencils or markers and remember, as with all of our books, each image is printed on its own page.
