

SAM 2013 Assessment and Training v1.0 Multi-Term Printed Access Card

Get your students workplace-ready with SAM 2013, the market-leading proficiency-based assessment and training solution for Microsoft Office 2013! SAMs active, hands-on environment helps students master Microsoft Office skills and computer concepts that are essential to academic and career success, delivering the most comprehensive online learning solution for your course! Through skill-based assessments and interactive trainings, plus comprehensive remediation, SAM 2013 engages students in mastering the latest Microsoft Office programs on their own, giving instructors more time to focus on teaching. Computer concepts labs supplement instruction of important technology-related topics and issues through engaging simulations and interactive, auto-graded assessments. With enhancements including streamlined course setup, more robust grading and reporting features, and the optional integration of fully-interactive MindTap Readers containing Cengage Learnings premier textbook content, SAM provides the best teaching and learning solution for your course.
