

When Age Meets Grace: What Thirty-Somethings Need to Hear

Navigating through the changing seasons of life is not a simple task. As the years pile up on us, we can easily find ourselves overwhelmed by it all. Responsibilities increase. Demands on our time and energy increase. Coming face-to-face with the harsh realities of life in a broken world, we can wake up wondering how we're going to make it. The God of all grace has mercy available for every season. The God of all encouragement has words of comfort and strength for those wrestling with weariness, dealing with discouragement, contending with comparison, and simply searching for meaning in the midst of the mundane. When Age Meets Grace will help you re-ignite the wonder of grace in your heart even as you age. If you are currently in the throes of your thirties, searching for encouragement as you are heading into your thirties, or simply reflecting back on this unique season of life, this book is for you. Here's what others are saying about When Age Meets Grace: What Thirty-Somethings Need to Hear: "For many of us, the thirties have been filled with mundane tasks, working hard, and caring for family. There's nothing glamorous about it and we've lost some of the excitement of 'what's next?!' that we had in our twenties. Craig Cooper gets it and he has a good word for those of us in the trenches." God is with us and grace abounds. When Age Meets Grace: What Thirty-Somethings Need to Hear reminds us that there is hope for

the weary, tired, and even bored as Craig shines light on our great God and Savior. This book is indeed what we all need to hear.

TRILLIA NEWBELL Author of *Fear and Faith* (2015) and *United* (2014) "The thirties is a time where personal responsibility is at an all time high, margin is at a low, and novelty of the twenties is long past in the rear view mirror. Its been true for me. Craig Cooper understands the disillusionment of the thirties, but his wisdom doesn't stop there. Craig models in his life and in his writings an anchoring beyond himself and a compelling hope in God's grace. *When Age Meets Grace: What Thirty Somethings Need to Hear* is a refreshing read and even anticorrosive agent to cynicism, resignation, frustration, and disillusionment that we all feel. Read and recover your thirties."

BRANDON ADDISON Pastor Fellowship South Nashville Founding Member New Nashville "We have so many voices in our culture telling us what we should value and who we should become. What this book does so well is let Jesus answer and define those pressing questions by viewing them through the lens of Scripture rather than the eyes of the world. Craig has been able to communicate a voice of Biblical truth that is louder and much more persuasive than anything in our culture. And its a voice worth listening to."

JOHN HAMSTRA Lead Pastor, Mercy Hill Church Munster, IN "When Age Meets Grace: What Thirty Somethings Need to Hear will challenge you to be still, to listen for God's voice, and to thrive in what are some of the most rewarding years of your life." **CHAD NIKAZY** Blogger
