

# Learn to Interpret Handwriting: The Key to Understanding Your Friends and Enemies

Now recognised as a reliable working tool that can offer valuable insights into personality and potential, understanding the language of graphology - being able to read the style of handwriting as well as its content - has a massive following. It can be used in self-analysis and development; to shed light on the characteristics of family, friends and colleagues; or to establish the likelihood of a successful relationship. This practical, well-organised and insightful guide from one of the foremost exponents on handwriting analysis gives readers the means to use this valuable technique to improve their lives and their relationships.
