Eight Mystical Poems inspired in Mecca and Medina describing the relationship between the Greatest One and the one who strives to understand the nature of reality. Classified as Sufi poetry, his autor will refer to it as FilosofÃ-a PoÃ©tica, an attempt to harmonize the reflection of the mind with the workings of the heart. The poems are translated into Spanish, Portuguese and Arabic and accompanied by the paintings of Renato Rezende, Brazilian autor and painter, and introduced by Dr Faustino Teixeira, professor of Philosophy and Religious Sciences in the University of Juiz de Fora in Brazil.
