

Romanus & Chevalier

Romanus Stopping to offer help one sultry summer night, Mason James is unprepared for the change that this simple act of kindness will bring. After giving an old man a ride home, Mason discovers a new, magical, and even dangerous world he cannot hope to understand. But he also finds Luc Toussaint and is intoxicated at first sight... and even the secret Luc protects won't be enough to keep Mason away from the truth of his heritage and their love. Chevalier Fireman Mason James thought finding out he is a Romanus a rare class of gargoyle would be the surprise of a lifetime, but he's proven wrong when he discovers he is the son of a comte and goji nobility. But his newly discovered family doesn't think his gargoyle lover, Luc, is good enough for a goji of Mason's stature how could a warrior ever be? But despite the Moreaus uncertainty and elitism, they are Mason's only chance to unravel the mystery behind his mother's death, find a solution for the class divide that might separate him from Luc, and discover what it truly means to be a Romanus.
