

IAIN: A Highlander Romance (The Ghosts of Culloden Moor Book 19)

Please read THE GATHERING first to avoid spoilers. Culloden Moor, Scotland Iain MacIntosh died at the Battle of Culloden in 1746. Only his desire for revenge has kept him tethered to the lonely moor for the past two hundred seventy years. The time for that revenge, and his ultimate rest, is finally at hand. All thatâ€™s holding him up is one small task to prove his worth. He needs only to save the life of an innocent. An innocent who complicates his task as if sheâ€™s been sent by the devil himself. Toliver Mine, Colorado

Sallie Addison has just about given up on men. But she has learned something from her history of always picking the wrong one. Love at first sight is as much a myth as is true love. Then she meets someone who just might change everything she believes about love. Heâ€™s perfectâ€except for his insistence that he was killed over two hundred and seventy years ago! Two broken hearts, two lonely souls. Both just might have a chance at happiness if Iain can only keep Sallie alive.
