

Falling Under You: A Fixed Trilogy Novella (1001 Dark Nights)

Norma Anders has always prided herself on her intelligence and determination. She climbed out of poverty, put herself through school and is now a chief financial advisor at Pierce Industries. She's certainly a woman who won't be topped. Not in business anyway. But she's pretty sure she'd like to be topped in the bedroom. Unfortunately most men see independence and ambition in a woman and they run. Even her dominant boss, Hudson Pierce has turned down her advances, leaving her to fear that she will never find the lover she's longing for. Then the most unlikely candidate steps up. Boyd, her much-too-young and oh-so-hot assistant surprises her one night with bold suggestions and an authoritative demeanor she's never shown her in the office. It's a bad idea—such a deliciously bad idea—but when Boyd takes the reins and leads her to sensual bliss she's never known, the headstrong Norma can't help but fall under his command.
