Meet four sexy Italian men, brothers in all but blood and business partners. Follow their lives as they overcome past tragedies and pain, and open themselves up to love. This boxed set contains all four novels and novella in the Italian Shipping Millionaires series.

\*Please note: these novels and novella contain content suitable for mature audiences only. \*Each novel and novella is a standalone book in the series, with no cliffhanger. However, you may prefer to read the series in order.

\*\*\* Dante (Italian Shipping Millionaires #1) is a novella. Dante Cellini, owner of Cellini Shipping, avoided long-term relationships. Becoming a shipping magnate was far more important; at least, it was until he saw Sophia working in a friend's cafe. Should he pursue the niece of his business partner and long-time friend? And can he open his heart enough for a lifetime with her? Sophia Petrelli came to Florence to run from her past and seek out the uncle she never knew. When enigmatic Dante visits her uncle's cafe, her world turns upside down. Dante makes her feel safe and protected, but falling for him during their week together was never part of the plan. Will he want to stay when he learns the truth about her past? \*\*\* Adrian (Italian Shipping Millionaires #2) Adrian Faselli, Italian businessman and shipping magnate, was used to dating models and avoiding long-term relationships; at least, until he got stuck in an elevator with the fair Bernadette. After a possessive

kiss, they part ways until he realizes she's his new executive assistant! Unlike any woman he's met before, her Irish accent and temper arouse and challenge him, and he begins to feel things long since buried within him. Can he convince her to trust him, and in them both? Or will he lose her forever?

Bernadette O'Brien stayed in Rome for a new start after a sudden and cruel break-up. A searing kiss with her new boss in a darkened elevator has her knees weak but her heart wary. Can she trust her heart to a former rake? And when an unexpected threat from her past arises, will Bernadette survive to have her happy ending? \*\*\*

Giovanni (Italian Shipping Millionaires #3) Giovanni Deluca is confident in business but cautious about love. After the tragic death of his wife years ago, he's vowed never to love again, but one look at voluptuous Irishwoman Elise Quinn threatens his resolve. When a snow storm strands the two together in the Italian Alps, will Giovanni be able to get past the dark secrets he hides for a chance at love again? Elise is captivated with Giovanni, who's unlike any man she's ever met. His presence alone has her heart stuttering and the rest of her body tingling. But Elise, inexperienced with men, has her own secrets and a past she would rather forget. Can she keep both her innocence and her shadows a secret from Giovanni? And will he stay with her once he finds out the truth? \*\*\*

Luc (Italian Shipping Millionaires #4) Luc Rossi grew up with a sad past that's left him wanting to enjoy life to the fullest. He never thought about one woman for long until he met Angela, whose

heart belonged to one of his closest friends. Will she ever care for him? And will his need to protect her against a threat end up pushing her away instead? Angela Cantellano, CEO of her own company, had fallen in love with Dante Cellini during a business deal but had kept those feelings to herself. Now, with Dante happily married and a new father, she's finally moving on with her life. So, why does she want to move on with Luc, the biggest playboy of them all? With her own tragic past haunting her, a threat to her company, and a shocking revelation, will she ever be able to trust again? And can she trust Luc after his own deception comes to light? \*\*\* Series Order: Book 1: Dante Book 2: Adrian Book 3: Giovanni Book 4: Luc Boxed Set: Books 1-4
