

Wild Boys After Dark: Logan

If you're interested in books with super-hot alpha males, ridiculously sexy heroines and need-to-take-a-cold-shower love scenes, this is the series for you! M. Engel, Book Mama BlogNavy SEAL vet turned private investigator Logan Wild has a thirst for justice -- and one-time flings. But when he meets Stella Stormy Knight, he finds himself craving more from the mysterious beauty... Everything's naughtier after dark... Indulge your inner vixen. Stella Stormy Knight is an expert at hiding--her feelings, her past, and her identity. Sometimes all that hiding takes its toll, and she needs to come out from under that heavy suit of armor and cut loose--but it never takes her long to put it right back on and disappear without a trace. Navy SEAL turned private Investigator Logan Wild is relentless in his pursuit to discover the truth for his clients. He works hard, plays even harder, and always walks away unscathed and untethered. Until he meets mysterious and sexy-as-hell Stormy, who leaves him craving more than a one-night stand. Passion ignites, secrets are shared, and their deep connection is impossible to ignore. But in order to have a future, Logan must uncover Stormy's dark past--and when he does, hell hold her fate in his hands. The Wild Boys After Dark books are long enough to burn up the sheets and short enough to leave you craving more. Read the whole After Dark series: WILD BOYS: Book 1:
