

## Sinful Nights Bundle: Books 1-3

Box set of the first three books in the New York Times Bestselling Sinful Nights series - SWEET SINFUL NIGHTS, SINFUL DESIRE, and SINFUL LONGING! The final book, SINFUL LOVE, is only available separately! SWEET SINFUL NIGHTS She was the one who got away! Ten years ago, Brent Nichols let the love of his life slip through his fingers. It's his greatest regret, especially since she's all but disappeared. But when the gorgeous and captivating woman walks into his life unexpectedly, he's determined to win her back. Whatever it takes, he won't make the same mistake twice. Easier said than done! Shannon Paige has hardened her heart to the man she was once engaged to be married to. After the way he left, and after the hell she's been through with her checkered family, there's no way she's letting him into her life again. The problem is, the second she sees him, he's more handsome and charming than before. And she's torn between wanting to fight with him and wanting to sleep with him -- maybe both. Soon they fall into each other's arms, consumed with a desire that burns through the years. But if these two fiery lovers are going to have a real second chance at this kind of intense, passionate, bone-deep love, he'll have to give her his whole heart, and she'll have to give up all the secrets from her messy past. And that messy past is about to spill over into her carefully constructed present! SINFUL DESIRE Hes gorgeous,

charming and mysterious. Shes beautiful, brilliant and an open book. Together their chemistry is electric, but will his secrets tear them apart? Control... Its what Ryan Sloan values most. Control of his business, control of his secrets, control of his days and nights. With the way his life spiraled in the past, he needs to stay in charge of his present. Giving up control... Its what Sophie Winston craves. After a wildly successful career, shes stepped away from the business world and is now focused on her work as her citys most noted philanthropist. When she meets Ryan Sloan, the chemistry is scorching, and utterly undeniable. Their desire for each other runs red hot. He wants everything shes willing to give him in bed, and she wants him to take her to new heights as only he can. Soon, he has to have more. All of her -- heart, mind and body. The only trouble is, he hasnt been honest about how he met her and the dangerous connection he has to her brother. When the truth is revealed, hell have to give more of himself than hes bargained for or risk losing the only woman hes ever let into his heart. SINFUL LONGING Hes the inked brother. The one youre wondering about. The bad boy of the family. Colin Sloan has a past. Hes done things hes not proud of, but hes living differently now. Making changes in his life. Working hard, working out harder, and trying to win over one woman. Hes utterly crazy about Elle Mariano, and though the sex is epic, their friends-with-benefits arrangement just isnâ€™t cutting it anymore. He wants all of her, and is determined to prove heâ€™s what she needs in her life. Elle is fiery, loyal, and in major lust with

Colin Sloan. Heâ€™s everything she craves in a man -- smart, sexy, kind -- and a rock star between the sheets. But his past hits too close to home for her, and the people she has to protect. There isn't room in her life for a relationship with Colin. Especially when sheâ€™s forced to keep a secret that could tear his family apart!
