

Ilsa: A Sweet Western Historical Romance (Pendleton Petticoats) (Volume 3)

One of the most talented seamstresses of her time, Ilsa Thorsen could sell her creations anywhere in the world, but she ends up on her sister's ranch in the western town of Pendleton, Oregon. Disgusted with the dust, smells, and nearly every aspect of rural life, Ilsa wonders how she'll survive, particularly with the arrogant Tony Campanelli constantly underfoot. Enterprising and hardworking, Tony Campanelli embraces life in the small community of Pendleton with his sister and their friends, especially since Ilsa Thorsen moves to town. The uptight seamstress just needs to learn to have some fun and Tony's convinced he's the man for the job.
