

Numerology - Numbers Past And Present With The Lo Shu Square (Speed Learning Book 5)

In his new book Numerology - Numbers Past And Present With The Lo Shu Square Julian Moore breaks with tradition to add a new slant to the ancient divination technique of the Lo Shu square by combining numbers from the past and present to create a vivid and interesting reading. By taking a persons birth date, the lucky numbers that have appeared and reappeared throughout their lives and their most up to date number of all - their mobile phone number - he shows how this ancient system of divination can be brought bang up to date to be commercial and great fun. If youve read Julians previous best selling works on cold reading, palmistry, graphology and cartomancy, then youll know his teaching approach is second to none and instead of having a book that youll leave gathering dust, by the end of Numerology - Numbers Past And Present With The Lo Shu Square youll actually have acquired a new skill that you can show to friends and family - even make money out of by performing professionally as part of your other reading skills. Get it now - and start giving numerology readings within a few days or less. As always it doesnt get any more fun, or simpler, than this.
