

Thinking Like A Romance Writer: The Sensual Writers Sourcebook of Words and Phrases

This invaluable resource is a must have for any aspiring romance writer! In the world of romance writing, one of the most important components in an authors repertoire is their use of descriptive words and phrases. This aspect of romance writing is so often neglected, usually with disastrous results; a novel that reads like a badly written script. Fortunately, theres now a way for any writer, regardless of their experience, to get a huge head-start writing in this profitable genre. Its a secret resource that romance writers dont want you to know about! Dahlia Evans has compiled a romance writing thesaurus unlike anything ever published. This reference book is filled to the brim with words and phrases gathered from hundreds of bestselling romance novels. Using this book you will be able to describe intimate encounters of every kind without breaking a sweat. Inside Youll Discover: # 8,500 words and phrases sorted into 37 categories. # Thousands of words you can use to describe each part of the body. # Words that describe each of the five senses; taste, touch, sight, sound, smell. # Words to describe feelings and emotions. # Words that describe facial expressions. # Hundreds of words to describe intimacy. Thinking Like A Romance Writer is the culmination of hundreds of hours of research and is a book destined to become a classic in the field of romance writing instruction.
