

# The Prohibition of Women Attending Gatherings and Public Lectures

Bismillaahir Rahmanir Raheem  
Presently in our country there are only a few Ulama whom have held onto the True Deen of Islam, i.e. the path chalked out for us by Rasool (Sallallahu Alayhi Wasallam) and his beloved companions. However there are Ulama who fence sit. So to what extent will these Ulama make the Deen of Islam flexible? We have thus produced this Kitaab for the beloved readers with the hope that Allah Ta'ala will help them in understanding the correct methods that women should adhere to .May Allah Ta'ala protect and guide one and all.
