

An Everlasting Covenant: Selected Sermons by Rabbi Elliot J. Cosgrove

Recognized as a leading voice in the Conservative Movement of Judaism, Rabbi Elliot J. Cosgrove, Ph.D., writes, “Imagine a triangle. At the corners stand the three poles that shape any sermon. The first corner is the Torah reading of the context of the Jewish calendar—it is a Rabbi’s duty to make sure that every Jew present emerges from the synagogue that day feeling part of the grand narrative of our people. The second corner is what is on my mind. Sermons are forms of religious reflection and testimony, perhaps the most personal expression of my rabbinate and of my vision of Jewish life—Sermons are opportunities to give voice to my concerns—personal, communal, or global—and to share my hopes and my love of Torah with my community. The third and final corner is what is on your mind—a sermon is a genre of expression that occurs in the context of community. A sermon should be deeply relevant to the life of the listener.” Rabbi Cosgrove’s writings -- anchored in Torah, deeply personal, and altogether relevant to the congregant -- reflect his passion for the intersection of Jewish scholarship and faith. His subjects in this volume cover a range of current issues, including Jewish continuity, relationships with families and with friends, welcoming singles and young families, educating students of all generations, and social justice. He raises thoughtful questions, from how people want to be remembered to when people

should give others a second chance. Rabbi Cosgrove follows a tradition of distinguished predecessors on the pulpit of Park Avenue Synagogue in New York, including Rabbi Milton Steinberg, Rabbi Judah Nadich, and Rabbi David H. Lincoln. Ordained at The Jewish Theological Seminary in 1999, Rabbi Cosgrove earned his Ph.D. at the University of Chicago Divinity School. He is the author of four collections of selected sermons, *In the Beginning* (2009), *An Everlasting Covenant* (2010), *Go Forth!* (2011), and *Hineni* (2012). He is the editor of *Jewish Theology in Our Time: A New Generation Explores the Foundations and Future of Jewish Belief* (Jewish Lights).
