

The Translation of the Meanings of Sahih Al-Bukhari: Arabic-English (English and Arabic Edition)

Generally regarded as the single most authentic collection of Ahadith, Sahih Al-Bukhari covers almost all aspects of life in providing proper guidance from the messenger of Allah. This 9-Volume Bukhari is the work of over 16 years by Imam Bukhari who before writing any Hadith in this book performed two Rakat prayer of guidance from Allah and when he was sure of the Hadiths authenticity, he wrote it in the book. Tremendous amounts of errors exist in the translations by other translators. To eliminate the problem Dar-us-Salam spent over 3 years in the publication of this book and presented a book which is translated into English in a very easy & simple language, so that all readers can understand it without difficulty. This is the unabridged version consisting of 7563 ahadith (about 4000 pages) which are presented neatly in smaller books format and printed on super-fine paper. Each book (subtopics in each volume categorized by very broad topics such as the Book of As-Salat) contains many chapters which represent one logical unit of Ahadith. Each book contains anywhere from one to 150 chapters with each chapter containing several Ahadith. This book will be a great addition to your library while giving you a true perspective on the traditions of the Prophet (pbuh).
