Learn the Inspiring Story of the Legendary Point Guard Jason Kidd! Read on your PC, Mac, smartphone, tablet or Kindle device! In Jason Kidd: The Inspiring Story of One of Basketballs Greatest Point Guards, you will learn the inspirational story of one of basketballs premier point guards, Jason Kidd. Jason Kidd was easily one of the best point guards to play the game of basketball throughout the 2000s. With an extraordinary ability to pass the ball at precisely the right time, Kidd was like Steve Nash in that he made the teammates around him fundamentally better. Being an NBA Champion (with the Dallas Mavericks in 2011), ten-time All-Star and five-time All-NBA First Team member, Jason Kidds passing and rebounding abilities made him feared by opponents. He corralled triple-doubles years before flashy athletic point guards like Russell Westbrook began doing so. Read on to learn Kidd's™s inspiring story. An excerpt from the book: As far as ranking the top point guards in the history of the NBA is concerned, no list would be truly complete without Jason Kidd somewhere on top of all of the other playmakers the league has seen. Why not? He is an NBA champion, a 10-time All-Star, a six-time All-NBA Team member, a nine-time All-Defensive Team selection, a two-time Olympic Gold medalist, and a five-time assist leader. On paper alone you would see how valuable of a point guard Kidd was in his 19-year NBA stint. However, there were also times when he was not truly befitting of being called a historically elite point guard because of all the criticisms and shortcomings he has had as a player. He came into the league with virtually no jump shot and a very minimal offensive repertoire. He has had struggles with coaches and even, for a while, lacked the work ethic needed to be elite. And, for most of his career, he was never the leader of a championship team. But, for all those criticisms and downsides to his game, Jason Kidd was always a leader that made his other teammates great by doing everything else on the court. He always made it a point to find teammates because scoring the ball himself was never really his top priority. His ability to rebound the ball at a high level for a point guard made sure he

could trigger fast-break opportunities at a quick rate. And his ability to defend every guard position earned him the reputation of being an elite defender in his prime. Kidd's vast array of skills made him a ray of sunshine to a franchise because he always lifted his teammates up in every way possible.
