

Grafología (Esenciales) (Spanish Edition)

All the keys to analyzing handwriting and learning what it reveals about a personality are included in this graphology guide. Readers will understand the practical applications of graphology, learn to decipher what a signature can reveal about someone, discover the compatibility of personalities based on handwriting analysis, and even observe what graphology can reveal about sexuality. A truly complete introductory guide to the science of graphology, this book is a surprising tool for better knowing oneself and others. It also includes numerous handwriting samples and signatures from famous people, as well as a quick handwriting test in the first few pages. Todas las claves para interpretar la escritura y conocer lo que revela sobre la personalidad están incluidas en esta guía grafológica. El lector conocerá las aplicaciones de la grafología, aprenderá a descifrar lo que revela la firma, descubrirá la compatibilidad de caracteres a través del análisis grafológico y hasta podrá observar lo que revela la grafología sobre la sexualidad. Una guía verdaderamente completa para iniciarse en la ciencia grafológica, este libro es una sorprendente herramienta para conocerse mejor a sí mismo y a los demás. Incluye también innumerables ejemplos de escritura y firmas de personajes célebres, además de un test grafológico rápido en las primeras páginas.
