

Learn From The Experts - Elon Musk

Flying cars? Trains that travel faster than airplanes? Colonies on Mars? Theyâ€™re the dreams of science fiction, and in the minds of certain people like Elon Musk, may quickly become a reality. Those things are just a few of the visions Musk has for the future of humankind. Heâ€™s currently quite busy, serving as the CEO and CTO of SpaceX, CEO and Project Architect at Tesla Motors, chairman of SolarCity, and co-chairman of OpenAI. The South African-born inventor and engineer is currently worth US\$12.7 billion, making him the 37th wealthiest person in the United States and the 94th wealthiest in the world.
