

Her Perfect Life: A Reunion Novel (The Reunited Hearts Series Book 1)

From the USA Today Bestselling Author Vicki Hinze comes The Reunited Hearts, a romantic suspense series of standalone novels with couples in dangerous situations who reunite in atypical ways. In Her Perfect Life, ex-POW Katie Slater is finally rescued. But coming home isn't the sweet reunion she'd dreamed it would be. Everything that had made her life perfect is gone. Her husband's remarried, her kids are strangers who call another woman mom, and her former co-pilot and best friend, C.D. Quade—the sexy best friend who'd deserted her in the desert—is all she has left. How is she supposed to cobble together any kind of life? Katie struggles to determine what's real and what are tricks of the mind, to build a new life and rebuild relationships, and she makes an astounding discovery. Her perfect life hadn't been so perfect. But when she sees C.D.'s memorial to her—that she forever walks in his soul—Katie realizes this new life holds promise and could be perfect if she has the courage to face her past and claim her future. If she has the courage to dare to love!
