

Outpouring of the Soul Rabbi Nachmans Path in Meditation

When the summer begins to approach, go out to meditate in the meadows. When every bush of the field begins to return to life and grow, they all yearn to be included in your prayer. Rebbe Nachman gave pride of place to the spontaneous, improvised prayer uttered in ones own language and springing from the heart hitbodedut. This handbook of his teachings on prayer includes Rabbi Kaplans scholarly introduction setting hitbodedut in its context in the history of Jewish prayer and meditation.
