

## The Perfect Find

Will a forty-year-old woman with everything on the line — her high-stakes career, ticking biological clock, bank account — risk it all for an intensely lusty secret romance with the one person who could destroy her comeback, for good? Jenna Jones, former It-girl fashion editor, is broke and desperate for a second chance. When she’s dumped by her longtime fiancé and fired from Darling magazine, she begs for a job from her old arch nemesis, Darcy Vale. The beyond-bitchy publisher of StyleZine.com, Darcy agrees to hire her rival — only because her fashion site needs a jolt from Jenna’s old school cred. But Jenna soon realizes she’s in over her head. She’s working with digital-savvy millennials half her age, has never even “Twittered,” and pretends to still be a Fashion Somebody while living a style lie (she sold her designer wardrobe to afford her sketched-out studio, and now quietly wears Walmart’s finest). Worse? The twenty-two-year-old videographer assigned to shoot her web series is driving her crazy. Wildly sexy with a smile Jenna feels in her thighs, Eric Combs is way off-limits — but almost too delicious to resist. Written by the bestselling author of *The Accidental Diva*, *The Perfect Find* is a scandalously sexy, laugh-out-loud funny, utterly quotable saga about star-crossed love and starting over.
