Eadan Daly has thrown himself into the role as the sixth I-Ops team member and has forged a brotherhood of sorts with the other men. When he's asked to go on a solo mission for the PSI Branch (Paranormal Security and Intelligence) he's not so sure he wants his old job back. Inara Nash is a survivor, doing what she must to get by. On the run for years, from an organization she doesn't fully understand, she tries to stay below the radar. When a blond hunk arrives and claims he's her savoir, she suspects her luck might have finally run out. Sure, he's hot and looks like he'd be good in bed but there is something almost magical about him that defies reality. And if there is one thing she's learned in her life in the paranormal underground it's you never trust a magik.

Administrative Control (Immortal Ops Series) Book Six in the Immortal Ops Series No one knows just how powerful Colonel Asher Brooks is. It's a secret he's fond of keeping. As point person for the Immortal Ops, he has seen just about everything the supernatural community has to offer. That is, until he arrives on the docks in Seattle to find a mess his men didn't make. Something big is going down there and it means business. His concern is for Jinx, a leggy redheaded succubus who calls the area home. He's spent centuries

denying what he knows to be true, thinking hes keeping his woman safe and that its for the best. When Jinx calls to tell him she has information for him, he worries the woman who drives him mad with lust might be in danger. Hell do anything to protect her, even if that means claiming her for his own, whether shes up for being claimed or not.
