

Lethal Desire Collection

When nothing is off limits! Chaz Diaz was named the sexiest man alive. Not only is he rich, famous, and incredibly hot, he's also the man of Aspen's fantasies. Now he is offering to pay her a million dollars to be his escort for one month, but there is a catch or two. The Caribbean resort known as Desire is one of the most beautiful places on earth, and it is where the elite go to live out their deepest darkest fantasies. Absolutely nothing is off limits. Desire will take you wherever your imagination dares to go. Those who can pay the price, can have anything they desire. Some pay the ultimate price. Up until her sister disappeared from the Caribbean resort town of Punta Cana, Aspen Johansson had never traveled anywhere. Now she is thousands of miles from home, and searching for her wayward sister. The one person she suspects of knowing where her sister is, also happens to be the guy she has been swooning over since she was sixteen years old. Chaz Diaz can't remember the last time he was spurned by a woman, so when the spirited and beautiful Aspen declines to have casual sex with him, his mild curiosity turns to outright obsession. Now he is determined to have her, but there is another reason he wants to keep her close. Keeping her close might be the only way to keep her alive.
