

The Common Core Companion: The Standards Decoded, Grades 3-5: What They Say, What They Mean, How to Teach Them (Corwin Literacy)

It's the teaching around the standards that counts! If you're an upper-elementary teacher, we have a Common Core Companion for you, too! What makes this book that version of the standards you wish you had? It's the way Leslie Blauman translates each and every standard for reading, writing, speaking and listening, language, and foundational skills into the day-to-day what you do. It's all here: The standards for literature and informational texts put side by side for easier planning More than a dozen teaching ideas for each standard Recommendations on how to cultivate critical habits of mind A glossary of academic language for each standard An online bank of graphic organizers, reproducibles, charts, and more
