

Chumash: The Gutnick Edition - Book of Genesis - Kol Menachem (Full Size)

The Gutnick Chumash has gained wide acclaim as one of the favorite Chumashim available today. It incorporates a flowing English translation of the Torah which is loyal to Rashi. The Classic questions are drawn from a range of commentators, Midrash and Talmud, which are then ingeniously brought together in the Toras Menachem commentary. It is the first Chumash to include a commentary anthologized from the works of the Lubavitcher Rebbe. The Chumash also boasts a large sampling of inspirational Chasidic thoughts and insights into the Parsha, as well as practical lessons for our daily lives. The diagrams, charts, and illustrations all add to make this the perfect Chumash for layman or scholar. Beautifully bound in a hand-tooled leather style cover, both inside and outside are sure to impress.
