

# Hearts Surprise: A Personal Reconciliation of Womens Rights with the Quran and Islam

An American Muslim woman's lively answer to Islamic women's issues. Lisa Spray uses the Quran, Islam's scripture and her own experience. She demonstrates that culture is the source of traditional women's issues and other negative Western stereotypes of Islam. The Quran condemns terrorism, aggression, oppression, intolerance, and inequality regardless of gender. Contributions from other women from several Muslim cultures further illustrate her points.
