

# Quiet: The Power of Introverts in a World That Cant Stop Talking

The book that started the Quiet Revolution At least one-third of the people we know are introverts. They are the ones who prefer listening to speaking; who innovate and create but dislike self-promotion; who favor working on their own over working in teams. It is to introvertsâ€™ Rosa Parks, Chopin, Dr. Seuss, Steve Wozniakâ€™ that we owe many of the great contributions to society. In Quiet, Susan Cain argues that we dramatically undervalue introverts and shows how much we lose in doing so. She charts the rise of the Extrovert Ideal throughout the twentieth century and explores how deeply it has come to permeate our culture. She also introduces us to successful introvertsâ€™ from a witty, high-octane public speaker who recharges in solitude after his talks, to a record-breaking salesman who quietly taps into the power of questions. Passionately argued, superbly researched, and filled with indelible stories of real people, Quiet has the power to permanently change how we see introverts and, equally important, how they see themselves. Now with Extra Libris material, including a readerâ€™s guide and bonus content

The Power of Introverts in a World That Cant Stop Talking by Susan H. Cain, Kathe Mazur (ISBN: 9780739341247) from Amazons Book Store. Quiet: The Power of Introverts in a World That Cant Stop Talking Yet extroverts have taken over. Shyness, sensitivity and seriousness are often seen as being negative. Introverts feel reproached for being the way they are. In Quiet, Susan Cain shows how the brain chemistry of introverts and extroverts differs, and how society misunderstands and undervalues introverts. Quiet Revolution Editorial Reviews. Review. Amazon Best Books of the Month, January 2012: How many introverts do you know? The real answer will probably be Quiet: The Power of Introverts in a World That Cant Stop Talking Susan Cain sparked a worldwide conversation when she published Quiet: The Power of Introverts in a World That Cant Stop Talking. With her inspiring book, Quiet: The Power of Introverts in a World That Cant Stop Talking Do you pay attention to the differences between extroversion and introversion? It can be fascinating to consider who is and is not aware of the distinction
