

The Academic Bride (Billionaire Marriage Brokers)

*A fun and romantic novel by Amazon #1 Bestselling Author for Christian Romance Lucy McConnell Early on, Pamela Jones realized she had an unusual talent for putting two people together. Over the years, she's turned it into a successful matchmaking service for the ultra wealthy: Billionaire Marriage Brokers. While she specializes in business marriages -- pairing people off because of their skills, education, or training -- she can spot a potential love match a mile away. When Pamela has a good feeling about a bride and groom - a business marriage can become so much more. Janel Fendrick is a go-getter. Her dream of excavating a Mayan temple is within reach -- until the funding is pulled and she's left scrambling for an alternative. Pamela Jones comes along with a proposal...and a groom! Janel hesitates, until she realizes that one year of marriage is a small price to pay to have all her dreams come true. What she doesn't realize, is that she's about to get more than she ever dreamed of.
