

The Color of Secrets

Everyone has secrets, but some can change your life forever. In the midst of the Second World War, Eva receives the devastating news that her husband is missing and presumed dead. Neither wife nor widow, she lives in a numb state of limbo until, in the heat of an English summer, she meets Bill, a black American GI. Despite their vastly different backgrounds, neither can deny the love that overcomes them in the frantic weeks that follow, when every day could be their last. After Eva discovers she's pregnant, Bill is shipped off to join the D-day fight, leaving her alone in a bigoted world. As her mixed-race daughter, Louisa, grows up, how far will Eva go to keep her safe and bury the past? And how far will Louisa go to uncover the truth?
