

## Sinful Passions (The Anarchy Medieval Romance Book 3)

This book links to previous stories about the Montbryce and FitzRam families, but you could easily read it as a standalone. There are two couples featured here. One of the heroes is twin brother to one of the heroines, so that is only right that their stories are told together. Lots of fascinating historical facts mixed in with a beautiful story. If my history classes at school had been as interesting I might have studied more. Keep these wonderful stories coming Anna. I love them.
