

## The Illuminated Rumi 2011 Wall Calendar

Based on *One Song: A New Illuminated Rumi*, this calendar is an interweaving of poetry and art: a magnificent meeting of ancient tradition and modern interpretation that uniquely captures the spiritual wealth of Rumi's teachings. Michael Green's magical art, along with his sensitive renderings of Rumi's poetry, makes this work a classic guide to the life of the soul for a whole new generation of seekers. Rumi is still this country's most-read poet, and a major spokesman for open, boundary-crossing spirituality. The first *Illuminated Rumi*, published in 1997, is still a phenomenon with over 100,000 copies in print. Artist/author Michael Green has numerous books in print, including *The Illuminated Rumi*, *The I Ching Journals*, *The Illuminated Prayer* and *The Unicornis Manuscripts* (978-1-60237-119-4). The interior pages of this calendar are printed on 100% recycled, 50% post-consumer paper, processed chlorine free and printed with soy based inks.
