

# The Noble Women Scholars of Hadith: Womens Concern with the Prophetic Hadith

This Book has been authored by the noble shaykh, Abu Ubaydah Mashhur bin Hasan Al Salman, one of the main students of the mujaddid and the muhaddith of the era, Imam Muhammad Nasiruddin al-Alban R.A. It covers one of the most important issues that effect Muslims today, an issue which many non-Muslims do not adequately understand or have any knowledge of, except from what is presented erroneously in the media. It is regarding the issue offemale education and its importance in Islam. Unfortunately, much of what people view from ignorant Muslims such as suppressing womens educational facilities has become widespead, hence the significance of this work in the English language
