The Haggadah for the Generations is a project created in part by the students at Torah Academy of Greater Philadelphia. The Haggadah is designed to help enhance your Seder, making it more engaging and meaningful to all present. In this Haggadah you will find clear print in both Hebrew and English, along with various divrei Torah written by the students. Opposite each page of the Haggadah, there is a page of questions and activities geared to linking events at the Seder to your family history, creating a highly personal Seder experience. In addition, you will find numerous questions from throughout the Haggadah that can be used to help launch in-depth and engaging discussions. Additional highlights include the Four Questions translated into over twenty-four languages as well as a collection of the students family tradition recipes; some going back to their great grandparents.
