

Sunshine Beach (Ten Beach Road Novel)

In this brand-new summer read by the USA Today bestselling author of *The House on Mermaid Point*, three women join forces to bring a historic seaside hotel back to life. There's nothing that a fresh coat of paint and a few glasses of wine can't fix. After losing their life savings in a Ponzi scheme, Maddie, Avery, and Nikki have banded together to make the most of what they have left, using their determination, ingenuity, guts, and a large dose of elbow grease. It's Maddie's daughter Kyra who stumbles across a once glorious beachfront hotel that has fallen into disrepair. The opportunity to renovate this seaside jewel is too good to pass up—especially when they come up with the idea of shooting their own independent television show about the restoration. What could possibly go wrong? Everything. With the cameras rolling, Maddie's second-chance romance with her all-too-famous new boyfriend gets complicated, Avery struggles with grief over the loss of her mother, and Nikki's reluctance to commit to the man who loves her could leave her to face the biggest challenge of her life. Even the hotel seems to be against them, when their renovation uncovers a decades-old unsolved murder which just might bring their lives tumbling down all over again.
