

Make Mine A Marine

Romance and danger collide in USA TODAY Bestselling Author Julie Miller's anthology, MAKE MINE A MARINE. Three very special heroes take charge in these full-length stories of military romance and suspense. Once, they put their lives on the line for their country. Now these former Marine Corps operatives are putting their lives on the line in the bodyguard business. Brodie, Hawk and Drew have what it takes to uncover the mysteries surrounding three very different heroines, and protect them from the threat stalking them. And though love may not be part of their assigned mission, their heroic hearts just might lead these hard core vets to a happily ever after if they survive.
