

Wolfs Desire (Caedmon Wolves Book 4)

After Keiras husband is brutally murdered, she is more than just alone but vulnerable to threats and tangled in a web of greed. Her decisions lead her into a corner, and safety is jeopardized. Aiden, Wolf shifter and Council member of the Caedmon Pack, has never failed when it comes to fulfilling the terms of his employment contract. When he is hired to protect an heiress, he doesn't plan on her being the only woman to bring both challenge and purpose in his life. Without hesitation, he vows to keep the grieving Keira safe—even from himself. Keira trusts Aiden unconditionally and finds joy whenever they are together, but can love transcend a tragedy? Aiden's urge to protect her is just as great as his desire to claim her. Once the passion is unleashed and fueled by the need to have all of her, the wolf will accept nothing less than his mate. *Wolfs Desire* is Book Four of the Caedmon Wolves series. Books One through Six are also available now.
